TRIUMPH OF DSPSR

We feel pleased to convey that college has received a felicitation letter from Jaro Education because one of our star student joined the company two years back just after completing his PGDM from the institute and has been continuously meeting the targets of the company.

We are proud of you Krishna for setting your sights high, and making every effort to achieve that goal. You worked hard and proved to yourself and everyone what you are capable of.

BLOOD DONATION CAMP

Delhi School of Professional Studies and Research in association with Rotary Blood Bank, Noida and Rotary Club of Delhi Maurya, organized Prof. P.N. Singh Memorial Blood Donation Camp in its college premises on 1st April, 2016. Prof. Ravinder Vinayek, Director, DSPSR welcomed the team of doctors and other staff members from the Rotary Blood Bank, Noida. He motivated the students to participate in the noble cause by initiating this activity. The students and faculty members from nearby colleges were

invited to participate in the camp.

Seventy three units of blood were collected throughout the duration of the camp which started at 10 am and concluded at 3 pm. The donors were provided with a donor card and a souvenir for their participation in the camp. The overwhelming response of the students and faculty members made the event a huge success.

BUSINESS PLAN COMPETITION

The main objective of pursuing a business administration course for a student is to either run his own business or to work for a big business house. In order to inculcate creative and competitive business skills among the students, the activity- “Business Plan Competition” was conducted by the Institute on 2nd April, 2016. The purpose of the competition was to foster innovation, promote business ideas and facilitate the development of business acumen. There were 15 teams who participated in this activity and presented

striking business ideas which were comprehensive of all the aspects required to set up a business. Some of the ideas put up by the students were: Revolving restaurant, Mobile Hospital, Photography Academy, Medical Services, 24x7 Foods Joint with Varied Presentation Styles, World Cuisine Specialist Restaurant etc. Students were judged on the following parameters: (i) Executive Summary, (ii) The Business/Product, (iii) Innovation in Business/ Product, (iv) Industry Analysis and Competitive Analysis, (v) Market Analysis and Plan, (vi) Management Plan, (vi) Financial Plan.

Judges provided critical analysis and suggestions to the participants which could help them to improve their plans further. Creating a business plan with all the aspects of fundraising and an ultimate exit or harvest event is both challenging and stimulating. This activity provided students with a comprehensive experiential-learning opportunity to craft and showcase a promising business plan.

INDUSTRIAL VISIT @ BHALSWA LAKE

The college organized a visit for the students of B.Com (H),

Fourth Semester on April 9, 2016 to Bhalswa Lake, situated in North-West Delhi as a part of curriculum in Environmental Studies, The students were given details as well as awareness regarding the water bodies in the city and the environmental effects on the same. Originally Bhalswa Lake was an excellent wetland ecosystem supporting a rich wildlife habitat, but lately the Delhi government had converted the lake and started promoting it as a water games/sports facility and now a low income housing colony, an extension of the nearby town of Bhalswa Jahangir Pur has been built on it, destroying the once excellent wetland ecosystem and wildlife

habitat of the region which once played host to scores of local and migratory wildlife species, especially water birds, including waterfowl, storks and cranes. The visit gave the students the knowledge about the environment and its effect on the water bodies of the city.
