

Report on Alumni Meet

DSPSR celebrated the alumni meet this year on 12th November, 2017.

This is one of the initiatives to keep the relationship lively with the alumni of DSPSR.

Like every year we witnessed the success of the event. We took pride in celebrating this day with our successful alumni who shared their valuable and priceless experiences.

The entire day was a good journey all together with lots of knowledge, fun and enjoyment.

The programme got its true shape with our dearly loved students' performances.

Great effort of all the members of DSPSR family is appreciated to make this event successful.
